SCHOLARSHIP

FANS 10K/5K Run 2 Mile Walk Tug of War

- Kindness Pays -

On Saturday, July 14, 2018, we will hold our 4th Annual Run, Walk and Tug of War event in Oregon, WI with all net proceeds benefiting the Friends of Allyson Norland Scholarship Fund. The first three years were a great success, as we have been able to award \$21,000.00 in college scholarships to graduating high school students in and around the Dane County area. FANS is a nonprofit organization with a mission to acknowledge teens who show the same endearing qualities and values that Allyson showed on a daily basis, such as kindness towards others, humility, involvement in community and/or athletics and willingness to help others.

FANS is seeking sponsors to assist with event costs and would greatly appreciate *YOUR* support!

Benefits of sponsorship:

- Special opportunity to include marketing or promotional items in our race bags.
- Logo on various promotional pieces as well as on our social media networks.
- Logo on the Race Shirts for Gold and Silver Sponsors
- Lower levels of sponsorship are welcome. Only those at the Gold and Silver level will be printed on the shirts. There will be signage at the event thanking all sponsors.
